

KIEWA VALLEY BATTERY ENERGY STORAGE SYSTEM

Wednesday, 29 May '24

Time:

1:00 pm - 6:00 pm

Thursday, 30 May '24

Time:

7:30 am - 12:30 pm

Community Drop-In Information Sessions

Trina Solar is developing a planning application for a Battery Energy Storage System (BESS), to be located approximately 3 km north-east of Dederang, on Yackandandah-Dederang Road.

Trina is in early investigation stages for a development application and is currently assessing the limitations and restrictions of the project. The information gathered at this stage will be compiled to ensure the development plans align with local landscape values and identity.

We invite to you come along to our drop-in information sessions to discuss the proposed Kiewa Valley BESS in further detail.
